

In response to the request of the Rockwall County Commissioners Court for the temporary plan of the District Courts and the County Court at Law to address the Covid-19 Virus, it is our plan to minimize public exposure and interaction by rescheduling all matters currently set on our dockets for the next two weeks, ending March 31st, except for the following:

1. Criminal cases with incarcerated defendants currently set for disposition by plea agreement
2. Criminal Motions to Revoke or Adjudicate hearings and any Trials Before the Court, for incarcerated defendants
3. Protective Orders and Restraining Orders (including Child Protective Services)
4. Orders regarding Applications for Protection for Mental Health Services
5. Juvenile Detention hearings
6. Probate and Guardianship hearings

We will continue to reevaluate our dockets and keep you apprised.
